BY TOTHORA

T O T H O R A
H O M E A C C E S S O R I E S

An ideal complement to receive your guests, with a Catalan character, and with the sole intention of making them fall in love. Handmade with noble woods, a tribute to the cabinetmakers, who with their hands really do an exceptional job, someone will say that it is art, we call it passion.

Yes, we are moved by passion, we work as a team and together we see what is born of the imagination and that we want you to like.

Tothora, dreams come true

The back of drawers is supplied with aluminum-colored metal legs which can be removed if desired, and at the back there are slots for its anchorage to the wall with two positions in height.

Easy opening handles, just by placing 2 fingers are enough to open the drawers and the door, it's that simple. The drawers have the automatic closing system.

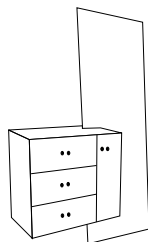

Interior shelves, behind from the front door you will find 2 shelves to store small pieces, you can take them out if you want, just pull them.

A side slit to place the magnificent polished stainless steel mirror, you will not need a single screw.
